Workers Memorial Day 2009

In Memory of Raymundo Gonzalez

WHAT: Congress is holding important hearings relating to worker rights to safe jobs.

WHO: Health and Safety Activists with family members will be meeting before the hearings at the DOL to hold a WMD rally prior to the hearings.

WHEN: April 28 Rally to start at 8 AM. We will march to the Senate and House hearing chambers at 9 AM

WHERE: DOL - on the steps of the Frances Perkins building at 200 Constitution Avenue, NW (on the Constitution Avenue side)

WHY: We need to show legislators and the public that worker health and safety needs to be a priority. The daily death toll [17 killed by traumatic injuries and hundreds by health hazards] needs to be stopped. **WE NEED CHANGE!**
