

National COSH Call to Action

Tell the U.S. Chamber of Commerce

STOP **Blocking the** **Silica Rule**

- **A new rule** limiting exposure to silica dust will save nearly 700 lives each year.
- **In 2013**, OSHA proposed a new affordable, practical standard for worker safety, backed by years of research and sound science.
- **Two years later**, the new silica rule is still blocked by industry lobbyists.
- **Join National COSH** to [visit your legislators](#) on Capitol Hill Friday morning – and deliver our petition to the U.S. Chamber of Commerce at 12:15 p.m.

Friday, June 5th, 12:15 p.m.
