

SOCALCOSH'S ACTIVIST NETWORK PRESENTS...

2013 Workers' Memorial Week of Action:

Every year, hundreds of families lose loved ones in the workplace. Tens of thousands more get injured, sick, or develop chronic illnesses disease just because they go to work...

April 28, 2013, marks the 25th anniversary of **Workers Memorial Day** in the U.S. An international day of remembrance and action for people killed, disabled, injured, or made sick by their work. Join us commemorating the 2nd Annual Workers' Memorial Week of Action from April 19 – April 28, 2013.
